FROM : Transportation Division

SUBJECT: Monthly Report of Transportation Division Activities - October 1948

The following report covering activities of the Transportation Division during the month of October is submitted pursuant to your request.

1. Status of personnel:

- (a) T/O as of 1 October 1948 - 58 positions

Shipping Section	2
Motor Pool	48

- (c) Number of personnel interviewed for whom actions have been initiated:

Motor Pool (Chauffeurs)	4
" " (Dispatcher)	1
" " (Truck Drivers)	2

Above indicates seven pending actions of which two (chauffeurs) are excess over our T/O, but of the four we can be reasonably sure that two will not clear security if past experiences are taken into consideration.

During the month we had two chauffeurs enter on duty, one being, 25X1A9a [REDACTED] on a transfer, while we had one resignation, Mr. [REDACTED] Dispatcher. A personnel action was initiated for [REDACTED] to fill the Dispatchers slot.

The Motor Pool continues to operate satisfactorily since the re-assignment of vehicles and the establishment of the revised shuttle schedule in accordance with Administrative Instruction No. 40-20, dated 30 August 1948.

2. Truck Operations

The following truck operations were performed during the month:
